NOTICE TO CONTRIBUTORS

The Journal welcomes previously unpublished papers which contribute to the
advancement of knowledge of parasitology, tropical medicine and other aspects of
biomedical research.

Manuscripts which must be in English, should be sent to the Editor, Dr. Indra
Vytilingam, by email as attachment – editor@msptm.org (MS Word is what we prefer).

Papers should be preceded by a short abstract and will normally have the following
sections: brief Introduction; Materials and Methods; Results; Discussion;
Acknowledgements and References. Past issues should be consulted for a suitable format.

Information should not be repeated in the text and in tables or figures. The legends to
tables and to figures should be sufficiently detailed for the information to be understood
without reference to the text. All figures will be printed in black and white. Authors will
have to pay for colour printing. Citation of unpublished reports is not permitted.

References should be given in alphabetical order with the full title of the journal,
for example.
