NADCHATRAM MEDALIST 1987

ASSOC. PROF. DR. YAP HAN HENG, B.Sc. (Hons), Ph.D

Dr. Yap Han Heng obtained his B.Sc. degree from Nanyang University, Singapore. He then attended University of Minnesota, USA for his graduate studies in 1964 and obtained his Ph.D. in 1969. He was instrumental in pioneering the work on the use of *Bacillus thuringiensis* and *Bacillus sphaericus* on the control of *Mansonia* mosquitoes. To date, he has authored and co-authored more than 50 scientific papers. Dr. Yap was elected the President of Malaysian Society of Parasitology and Tropical Medicine in 1981. Since 1978, he is an honorary member of Expert Advisory Panel on Vector Biology and Control, World Health Organization.
