NADCHATRAM MEDALIST 1989

DR. CHIANG GEOK LIAN, B.Sc. (Hons), DAP&E, Ph.D

Dr. Chiang Geok Lian graduated with BSc from University Sains Malaysia in 1977. In 1978, she obtained with distinction a diploma in Applied Parasitology and Entomology (DAP & E). Then in 1988 she was awarded the PhD degree in Medical Entomology from Universiti Sains Malaysia. Dr Chiang joined the Institute for Medical Research, Kuala Lumpur as a research officer in the Division of Medical Entomology in 1978.

Dr Chiang is a life member of the MSPTM. Her research interest appears to be very wide and has published 67 scientific publications. They include bionomics of mosquitoes, genetics of mosquitoes, serological studies of chiggers, control of mosquitoes and other collaborative studies under the broad field of Medical Entomology and Parasitology.

In recognition of her outstanding contribution to the Division of Medical Entomology and the Institute for Medical Research, she was awarded the Sijil Perkhidmatan Cemerlang in 1989.

Dr. Chiang has contributed immensely both at the national and regional levels in the field of Medical Entomology. Her contribution to date will serve as a source of inspiration for other young scientists.
