NADCHATRAM MEDALIST 1993

DR. STEPHEN AMBU, Ph.D

Dr. Stephen Ambu joined the Institute for Medical Research as Research Officer in November 1977. He was appointed Acting Head of the Medical Ecology Division from 1980 to 1983 and was subsequently transferred to the Kangar, Perlis to Head the Snake Farm which was producing antivenoms for Malaysian snake bites. In 1987, he was transferred back to IMR, Kuala Lumpur as Senior Research Officer in the Biotechnology Centre until his appointment as Head of the Medical Ecology Division (1993). He is in the Editorial Board of the Tropical Biomedicine. He has presented many scientific papers in local and international conferences and has more than 40 scientific publications in local and international journals. He joined the MSPTM in 1978 and is currently a life member. He has served the Society as council member, secretary and president.
