**Prof. Mohd Zahedi Daud,
Bv. Sc. (Hons), DAP&E, MSc, Ph.D**

Prof. Zahedi is currently the professor at the Tropical Biology and Conservation Unit, University Malaysia Sabah.

Since he became a member of the MSPTM, he has displayed great interest and has held the following positions in the council:

- Hon. Treasurer (1982/83),
- Hon. Secretary (1990/91, 1991/92),
- Vice President (1992/93) and
- President (1993/94).

He has been the organizing chairman of its seminar (1994) and mid-year seminar, editor of its newsletter and has provided his expertise as a referee to the society's journal, Tropical Biomedicine. He has presented oral papers and posters at the society's seminars on numerous occasions and has continued to be actively involved in the society's activities, thereby ceaselessly contributing to its growth. Even now he is actively engaged in popularizing the society's image in Sabah. In the scientific arena his interest which is diverse has resulted in the prodigious publication of more than 78 papers in international and local journals. He has unselfishly disseminated his vast knowledge to undergraduate and post-graduates and is currently engaged in molding numerous young Malaysians to follow in his footsteps in achieving excellence in the sciences. His contributions have not been confined only to our society's activities but to others as well.
