NADCHATRAM MEDALIST 1998

DR. REHANA ABDULLAH SANI, DVM, Ph.D

Dr. Rehana obtained her DVM Degree from UPM in 1979 and PhD from University of Edinburg, Scotland in 1983. She was promoted to Associate Professor in 1991 and was the Head of the Veterinary Pathology & Microbiology Department at UPM from 1997 to 1998. Her involvement and contribution to the MSPTM began in 1984. She continues to be an active and influential member of our Society, having been a Council Member from 1985 to 1987, Assistant Honorary Secretary in 1987-1988, Vice President in 1980-1990 and the President in 1990-1991. Presently she is working on the genetic selection of Santa Ines sheep that are resistant to trichostrongylid worms.

Dr. Rehana was awarded the Young Scientist Award in 1989 and the Third World Academy of Science Young Scientists Award in Biology in 1990. She has published 34 papers in local and international and international journals in addition to 22 papers in seminar/workshop proceedings. For her contribution to UPM she was given the Excellent Service Award in 1993 and 1996.
