NADCHATRAM MEDALIST 2006

**ASSOCIATE PROFESSOR DR FONG MUN YIK,
B.Sc. (Hons), M.Sc, Ph.D**

Dr. Fong joined the Department of Parasitology, Faculty of Medicine, University of Malaya in 1998 as lecturer. He was promoted to the position of Associate Professor in 2003.

Dr Fong is a versatile researcher although his main research interest is in molecular parasitology, particularly in the use of recombinant DNA technology to produce antigens for immunoassays and molecular diagnosis of parasitic infection. He is also involved in dengue virus research.

Dr Fong has published 26 papers in international and local peer reviewed journal, ten proceedings and thirteen abstracts.

Dr Fong joined MSPTM in 1999, and become a Council Member 2000-2001. He was the Vice President in 2005-2006, and elected President in 2006-2007. he is presently a member of the Editorial Board of Tropical Medicine, the official journal of MSPTM. He served as the editor of the MSPTM Newsletter twice, first in 2000-2001, and the second in 2005-2006.

Dr. Fong is also active in the promotion of molecular biology and biotechnology in Malaysia. He was the Vice President of the Malaysia Society of Molecular Biology and Biotechnology from 1999 to 2003, and now serves as a council member. He is an Editorial Board member of Asia-Pacific Journal of Molecular Biology and Biotechnology. Dr Fong has been awarded the University of Malaya Excellence Service Award twice- in 2002 and 2006.
