NADCHATRAM MEDALIST 2009

**DR. MOHD KHADRI SHARAR,
Dip., B.Sc. (Hons), MSc, Ph.D**

Dr. Mohd Khadri Sharar had his tertiary education in three universities in Malaysia. Diploma in Science from UiTM, Shah Alam, BSc. (Hons) and MSc from University Malaya and his PhD from the University Sains Malaysia in 2005 and became the sole resource person of the country in providing ground information of sand lies studies. He joined Institute for Medical Research in 1993 during his MSc programme with University of Malaya.

Dr. Mohd Khadri Sharar has been an active member of MSTPM since 1994 and has played an active role in the council of the society by publishing numerous scientific articles in Journal Tropical Biomedicine and presented his research findings.

Dr. Mohd Khadri Sharar developed and disseminated guidelines for controlling the phlebotomine sand lies and Leptoconops biting midge for Ministry of Health Malaysia. He has contributed over 35 publications in various disciplines of entomology in reputed local and international publications. Currently, he and his team have been working closely with a BioNexus status company to commercialize their Autocidal Trap.
