NADCHATRAM MEDALIST 2010

DR REUBEN SHARMA, DVM, MVSc, Ph.D

Dr Reuben Sharma graduated with a Doctor of Veterinary Medicine (DVM) degree from Universiti Putra Malaysia and subsequently pursued a Master in Veterinary Science (MVSc) in wildlife diseases at the same university. He was later awarded a PhD in Molecular parasitology from the University of Cambridge, UK.

Dr Reuben is currently a senior lecturer, coordinator of the parasitology laboratory and the coordinator of the research committee at the Faculty of Veterinary Medicine, UPM. Dr Reuben has served as a council member of MSPTM for four terms and was the Hon. Secretary of the 45th MSTPM Council. His main research focus is on the molecular biology, antigenic variation and genetics of parasitic haemoprotozoa.

Dr Reuben has published over 100 scientific articles in peer reviewed journals, conference proceedings and technical reports. He has received 3 international awards for his efforts in the conservation and medicine of Malaysian wildlife. He has also received the Excellent Service Award from Universiti Putra Malaysia.
