SANDOSHAM MEDALLIST 1997

PROF. DR. YAP HAN HENG, BSc. (Hons), Ph.D

Prof. Dr. Yap Han Heng obtained his 8.Sc. degree from Nanyang University, Singapore. In 1964, he attended University of Minnesota, USA for his graduate studies and obtained his Ph.D. in 1969.

Prof. Dr. Yap was appointed as a full Professor of Medical Entomology in USM in 1990. He pioneered the work on the use of *Bacillus thuringiensis* and *Bacillus sphaericus* on the control of *Mansonia* mosquitoes. He has authored and co-authored more than 110 scientific papers.

Prof. Dr. Yap was elected twice as the President of Malaysian Society of Parasitology and Tropical Medicine (1981/82 and 1989/90 councils). He is the honorary member of Expert Advisory Panel on Vector Biology and Control, World Health Organization since 1978. He is also the Chairman for National Working Group on Household Pesticides for SIRIM, Malaysia since 1984 and also editor for *Journal of Bioscience* since 1989. His contributions make him a worthy recipient of the Sandosham Medal
