SANDOSHAM MEDALLIST 2003

DR. STEPHEN AMBU, BSc. (Hons), MSc, Ph.D

Dr. Stephen Ambu worked as a research officer at the institute for Medical Research in 1977. He has Bsc (Zoology Major) from the University of Madras India, an MSc (Parasitology) from the University of Wales, United Kingdom and PhD (Biomedical Sciences) from University of Malaya.

He has been published 93 scientific research papers in journals, proceedings and as reports and has 42 scientific presentation at conferences, seminars and workshops.

Over the years he has been involved actively in various MSPTM programmes. In research, Dr. Ambu's work on medical ecology and environmental health since 1997 has brought him in close contact with WHO activities.

Currently, Dr. Ambu is the Editor-in-Chief of the Environmental Health Focus, which caters for scientific and non-scientific researches. Dr Ambu has been awarded excellence service certificate by IMR/MoH in 1991, 1993 and 1997. He received the Silver Medal for Parasitology and Tropical Biomedicine for MSPTM in 1993. Based on these achievements and contributions Dr. Stephen Ambu has been awarded the Sandosham Gold Medal of the Malaysian Society of Parasitology and Tropical Medicine.
